

NEWS RELEASE

Mammoet Canada Western Ltd takes the honours in both categories in the prestigious Canadian Lift of the Year Awards!

Halifax, Nova Scotia, June 5, 2026 – The Canadian Crane Rental Association is excited to announce the winners of the Canadian Lift of the Year Awards. **Mammoet Canada Western Ltd.** was awarded the Canadian Lift of the Year Award in the Over 20T and Under 20T categories.

The Awards, were announced during the Closing Banquet of the Annual Conference, held in Halifax, Nova Scotia, June 2-4, 2026. The presentations were delivered in front of a live audience filled with 230 industry peers and colleagues on June 4, 2026, at the Westin Nova Scotian. This important segment of the Annual Conference was celebrated by all attendees.

Four companies competed in the Over 20T category, and three companies in the Under 20T category.

Mammoet Canada Western Ltd., presented by Curtis Barnett, Regional Director North, won the Over 20T lift competition with an extremely complex heavy lift operation to dismantle and replace a 58-year old coke drum structure at Suncor Energy's Fort McMurray plant, emphasizing safety, efficiency, and technical innovation. Mammoet Canada Western Ltd. presented by Gijs Verdeijen, Director, demonstrated innovation in creative problem-solving under extreme constraints for a crane lift project involving the removal of an old HVAC units and installing new, more energy-efficient systems on the building's roof carried out at Science World in Vancouver.

The Canadian Crane Rental Association recognizes excellence and innovation in the Canadian crane industry with the Canadian Lift of the Year Awards.

The Canadian Crane Rental Association's members are crane rental companies, crane owners, manufacturers and suppliers of cranes and equipment, and supplier of service used in the specialty crane rental business in Canada.
